ORDER:-

In the reference 1st read above, the Government introduced a scheme "Indhiramma Amrutha Hastam" to the Pregnant and Lactating women for reduction of Infant Mortality Rate (IMR) and Maternal Mortality Rate(MMR) as the percentage of low birth weight babies, underweight children (< 3 years) and pregnant women who are anaemic is high. "Indhiramma Amrutha Hastham" programme involves spot feeding of "one full meal" for Pregnant and Lactating women at the Anganwadi centre along with administration of Iron & Folic Acid (IFA) tablet. The programme was started on 01.01.2013 in 102 ICDS Projects with most adverse health and nutrition indicators.

2. In the reference 2nd read above, Government issued guidelines on implementation of Indiramma Amrutha Hastham programme in the State. During 2013-14, vide references 3rd and 4th read above the said scheme was extended to some other ICDS Projects and now implemented in 19,156 Main AWCs and 4,793 mini AWCs in 104 ICDS Projects in 13 Districts of Andhra Pradesh state up to the financial year 2015-16. The meal under this programme includes one egg and 200 ml milk daily along with rice, dal and vegetables (with green leafy vegetables at least thrice a week). The meal provides more than 40% of the day's calorie/ protein/calcium requirement of the Pregnant and Lactating women. In the reference 5th read above Government issued revised comprehensive orders for food models for ICDS beneficiaries. The name of the "Indiramma Amrutha Hastham" has been changed as "Anna Amrutha Hastham" (AAH) in the documents of Budget 2014-15.

3. In the reference 6th read above, the Special Commissioner, WD&CW, A.P has stated that, on review on implementation of the scheme, the Impact studies were carried out by UNICEF and concurrent evaluation was entrusted to Home Science College, Hyderabad. Preliminary studies and feedback has shown that the acceptance of "Anna Amrutha Hastham" (AAH) by the target group is overwhelming and that the impact on improving maternal nutrition and reducing low birth weight is very positive. He has further stated that in the Budget review meeting held on 31.01.2017 at Velagapudi the Hon'ble Minister for Finance agreed in principle to extend the "Anna Amrutha Hastham" (AAH)Programme to

the remaining 153 ICDS Projects in 13 Districts as universalisation of " Anna Amruth Hastham" (AAH) in the State. Further he has stated that, on extension of the scheme, 4.46 lakhs estimated beneficiaries will be covered under the scheme. The cost norm is Rs.13/- per day per beneficiary to be provided for 300 days per annum and estimated an amount of Rs.173.94 crores of additional budget will be required per annum under Anna Amrutha Hastam scheme.He has also informed that the department is introducing the biometric attendance of the beneficiaries to avoid malpractices in the programmes which may decrease 30% on estimated cost and these benefits to reach the actual enrolled beneficiaries. Basing on savings, the Anna Amrutha Hastam (AAH) scheme may be implemented within the cost of Rs.121.76 crores for the remaining 153 ICDS Projects. He has therefore requested, to issue administrative sanction to extend the programme of Anna Amrutha Hastam (one full meal) for remaining 153 ICDS Projects which covers 29614 main AWCs and 2044 mini AWCs in 13 Districts

4. After careful examination of the proposal of the Special Commissioner, Women Development & Child Welfare Department, A.P., Guntur, the Government hereby accords permission for expansion of "Anna Amrutha Hastham (AAH)" for remaining 153 ICDS Projects which covers 29614 main AWCs and 2044 mini AWCs in 13 Districts in the State. The list of these 153 ICDS Projects with details of number of AWCs is at Annexure appended to this G.O.

5. The operational guidelines issued under reference 2nd read above, and other guidelines issued from time to time with regard to implementation of Scheme shall be followed scrupulously in implementation of the programme in the ICDS Projects.

6. This order is issued with the concurrence of Finance Department vide their U.O.No.19025/06/FMU.WCDHL/2017, dated 31.03.2017
